**UPHOLSTERY & FELT CARE**

**KEEP IT CLEAN, JIMMY!**

**AVOID**

Keep upholstery & felt furniture out of direct sunlight and away from heat sources; excessive exposure to sunlight will fade the color of the upholstery. Avoid placing heavy or sharp objects on the furniture surface for long periods of time; this can cause permanent indentations in the fabric. For snags in the fabric, tuck loose threads into fabric or carefully push to reverse side. Never pull out or cut off loose threads.
