### care

Clean powder-coated units with a soft cloth or sponge using a mild detergent, such as dish soap, and warm water. Wipe completely dry with a soft cloth.

1

ELECTRICITY IS DANGEROUS. HIRE A PROFESSIONAL ELECTRICIAN TO INSTALL YOUR LAMP.

1. Disconnect power.
2. With pendant lamp supported, attach mounting bracket to ceiling electrical box with #1060 hardware.
3. Twist copper wires together, black to black / white to white / green to green.

4. If no green wire (ground wire) from electrical box, wrap cord around screw on underside of mounting bracket and screw into place.
5. Twist on orange wire connectors (#8021 hardware) to secure coupled wires.
6. Align vertical holes on mounting bracket with white canopy and attach using # 1061 hardware.
