

PILLOWS

CARE

**KEEP IT CLEAN,
JIMMY!**

CLEAN

Vacuum and fluff your pillows regularly.

SPILLS

Act quickly with spills. Absorb the spill with a clean white cloth or paper towel. Never rub the surface. Do not use water or other liquids to clean, as they may stain the fabric. Consult a commercial cleaning specialist for removal of stubborn stains.

AVOID

Keep pillows out of direct sunlight and away from heat sources; excessive exposure to sunlight will fade the color of the pillows. For snags in the fabric, tuck loose threads into fabric or carefully push to reverse side. Never pull out or cut off loose threads.
