Step 02

ATTACHING THE BASE.

Align the base with the threaded post on the upright. Thread the base onto the upright as shown.

Additional Information

MAINTENANCE

Periodically check the base for tightness. Using two people tighten the table while it is upright. Both people should position their feet around the base so it doesn't move and rotate the table top clockwise until the base is fully threaded.

CLEAN

Clean with a slightly damp, soft cloth. To remove dirt and fingerprints, use a quality cleaner formulate for painted furniture. Wipe completely dry with a soft cloth.
